National Socialist Victory!

Last week, the news flashed around the world!

"British Nazis Smash Election Hopes of Foreign Secretary Walker!"

Colin Jordan, bull-dog leader of our growing band of British Nazis had just accomplished another "impossible" feat.

In spite of almost complete lack of funds, a bitter mutiny by some of his top men, and lies from both left and right, Nazi Leader Jordan smashed the carefully rigged election machinery of Patrick Gordon Walker to a heap of smoking wreckage.

Walker was the "Dean Rusk", the Secretary of State" of England. He was appointed to this top position after rising by the customary liberal democratic route, i.e., by kissing Jewish and black behinds.

But to stay in the British cabinet, Walker had to win a seat in Parliament.

So the Jews arranged a shoo-in election for their pet. They had him run as the candidate from such a pro-labor, pro-Red factory district in London that it had never for half a century voted "conservative"--not even for Winston Churchill!

As his opponent, the Jews selected a typical kosher-conservative, bloomer-girl type, the kind that is often so eager to kiss Jew and black bottoms that they pucker prematurely and push waiting liberals out of their place in line.

(The same scheme produced a landslide for the Jews here in the U.S.A. in November, completely wiping out hundreds of good right-wing leaders who fell for Barry Goldfink and his soak-the-poor campaign.)

In a teeming factory district of London, the kosher-conservative would come on strong for reducing taxes on wealthy factory owners while eliminating welfare to poor workers, etc., etc. (in the finest traditions of Goldfinkism).

The "man of the people", Mr. Walker, would promise the people every luxury, including the moon via rocket. The liberal squanderbund can't be beaten in a tax-money give-away contest.

The Goldfink-type had about as much chance of winning those London factory workers against the give-away liberal as Eichmann had to win a "not guilty" verdict in Israel.

In the usual, idiotic battle between "liberal" and "conservative"--along Party lines or on economic

turn page

grounds--it would be impossible to beat Patrick Gordon.

But in the past years, Britains' sell-out politicians, like our own, have been so dominated by the Jews and so eager for the nigger bloc vote which the Jews can deliver, that both conservatives and liberals had been shipping in swarms of nigger "Englishmen" from Trinidad, Jamaica and the remnants of Empire. With the English working man already hard pressed for employment, the Blacks pouring into Britain like a flood of dark sewage from other continents have been taking British jobs and spreading their Black Plague of filth, venereal disease, degeneracy, robbery, dope, murder and the spoilation of British womanhood.

THE BLACK PLAGUE

The average White Man in England hates that Black Plague, just as he hates it over here--both North and South.

And the Labor Party (as Red as you can get short of open Bolshevism) has far outdone the "conservatives" in shipping bigger herds of niggers into Britain. The Jew papers play this fact down, of course, as they do over here.

The only possible chance of beating Walker, by a near miracle, would be to drive home to those working people the deadly threat to their homes, neighborhoods, women and jobs of the flood of niggers--the Black Plague. All the squandering of tax money in the world could not save Labor's Walker, if the people realized that his election meant a tidal wave of ugly, filthy NIGGERS!

British panty-waist "conservatives", like our own Goldfink, Buckley, Welch, Hargis, etc., know this, of course, but they can't even mention it--because then they would be "hate mongers" and finally "Nazis", like us. And you sure as hell can't fight what you dare not even mention!

GORDON WALKER CAMPAIGNING

"De Noo Candidate." Into the imbroglio dropped the British Fascist Party, a gang of racists who decided to bring the color question into the by-election campaign with a vengeance, even though Gordon Walker and his Tory opponent, Leyton Engineer Ronald Buxton, tried to soft-pedal it. Nastily and noisily, the neo-Nazis invaded Gordon Walker's first campaign rally in Leyton, were only repulsed after Gordon Walker threw a right uppercut and Labor's burly Defense Minister Denis Healey hurled the Fascist leader, Colin Jordan, off the platform into the front row.

Last week, as Gordon Walker continued his campaign in Leyton, at least 30 burly Labor stewards guarded the halls in which he spoke. Although a massive journalistic contingent from Fleet Street was, in The Times of London's words, "ready to pounce at the drop of a swastika," no Fascists showed up—though Spoiler Jordan sent an agent in blackface to the Leyton town hall, where the interloper declared himself, in crude parody of Negro vernacular, to be "de noo candidate, Walker Gordon." And though everyone was protesting that race was not an issue in Leyton, the BBC hastily canceled a television screening of a play called *Fable*, which shows a future Britain ruled by colored people, in which whites are the victims of minority discrimination. Scheduled for election eve, the program was postponed for a week.

TIME, JANUARY 22, 1965

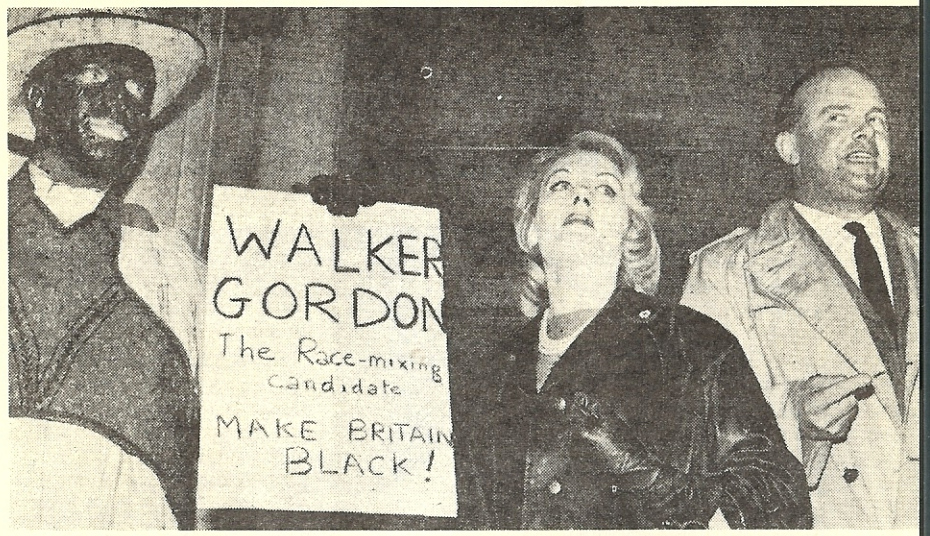
But Jordan, like me, is already a "dirty Nazi", cursed both by the Jews and niggers, and cowards on our own side. We alone hold the one weapon which can smash through the squanderbund's weapon of give-aways. That weapon is the whole, brutal truth, which includes Hitler, and the willingness to fight for it, rough and tumble, no matter what the Jews do to us or call us!

So Jordan moved in with his strongest weapon, the racial truth, at the enemies' weakest point, the nigger question. He did not confine his efforts to private rallies and prayer meetings, "schools", literature exchanging or even just pickets, although he used all these good methods. In that tough district of working-class London, Colin Jordan added the one method the "conservatives never dared even to try--COMBAT!--the one method which could win the hearts and the votes of those rough factory workers.

At the risk of liberty, limbs and life itself, Colin Jordan led his stormtroopers in ferocious attack!

Whenever and wherever Walker set up to sweet-talk the people, Jordan and his lads launched themselves like ravening wolves on the Reds and race-mixers, often getting bloody and beaten, but always smashing up the effort to sweet-talk the people. When clubbed and thrown out, back they came, attacking wildly, again and again, to drive home to those working people the whole truth--THAT ELECTING WALKER WOULD FILL UP THEIR HOMES, SCHOOLS, SHOPS, NEIGHBORHOODS AND FINALLY EVEN THEIR FAMILIES WITH NIGGERS!

Blackface British Nazi campaigns against race-mixer Gordon Walker



A man with blackened face who tried yesterday unsuccessfully to stand in the Leyton by-election as Walker Gordon standing outside the Town Hall with Mr. Colin Jordan, leader of the British National Socialist Movement, and Mrs. Jordan.

To drive that fact into the consciousness of the voters, Colin Jordan sent one of his men in blackface

THE COMING RACE WAR:

Your Uniform Is The Color Of Your Skin!

By Captain JOHN PATLER

Dr. Paul Carlson is dead. He wasn't the first White Man to be killed by niggers, and he won't be the last. There is an important lesson to be learned from Dr. Carlson's death.

There are millions of white people in America, especially children, who needed the services of a skilled medical man like Dr. Carlson. Dr. Carlson chose instead to go to the Congo to give medical aid to black savages. He paid for this decision with his life.

Thanks, Sucker

DR. PAUL CARLSON Shot to death by niggers he came to help in the Congo (above).

On a hot, sticky afternoon, in the city of Stanleyville, in the Congo, Dr. Paul Carlson, along with hundreds of other helpless white hostages, was murdered by the very people he had come to help.

Dr. Carlson was their friend ... not their enemy ... or so he thought.

When you understand WHY Paul Carlson was killed, you will come face to face with the realization that his death, and the death of the other whites murdered with him, were nothing more than some of the first casualties of the coming WORLD RACE WAR!

Dr. Paul Carlson died because he was WHITE! It didn't matter that Dr. Carlson helped breed and keep black people alive. It didn't matter that he helped them fight disease and ignorance. It didn't matter that he was their friend and wanted to help them and bring to them the benefits of White Western Civilization.

All that mattered in the end, and what mattered to the niggers who killed him, was that Paul Carlson was a White man!

Black vs. White; Race tension mounts all over America

ality, religious and political differences among white men. The black masses will not see an "Englishman" or an "Italian". They will not see a "Spaniard" or a "Swede" ... they will not see a "Catholic" or a "Protestant" ... nor will the black mass see a "Liberal" or a "Conservative" ... THE BLACK MASS WILL SEE ONLY WHITE MEN!!!

It won't matter what your nationality is! It won't matter what your religion is or what your particular political beliefs may be. If you find yourself in front of a blood thirsty black mob with another white man at your side

"Now's the Time to Keep the White Man on the Run"

What I wrote about race war in a past issue of the Stormtrooper magazine becomes more significant today, in view of what has taken place in the Congo: "At this moment, two huge armies are voluntarily and involuntarily massing on earth. They are the White and non-white armies. Their UNIFORM IS THE COLOR OF THEIR SKIN! That, and that alone will be the factor by which the two will distinguish friend from foe ... there will be NO middle ground. You will either belong to one side or the other, depending on your race ... it will not be a matter of "choice", but a MATTER OF SURVIVAL!

The black, or colored army, will be ABSOLUTELY BLIND to the nation-

Says Representative Adam Clayton Powell

whose nationality, religion and political beliefs are different than your own, the black herd will treat you BOTH AS EQUALS! The niggers will not see those so-called "differences" ... THEY WILL ONLY SEE TWO WHITE MEN!

NO Nigger Immigration

President Johnson wants Congress to pass a new immigration law that will favor non-Whites.

According to LBJ's new nigger immigration law, a 10% quota will be granted to all nations. There are more colored nations than white, and this will mean that America will be flooded with niggers, Indians and Orientals under the new law!

Every immigrant will be competing with Americans for jobs. Unemployment in the U.S.A. is already way over 6 million! Colored immigrants will work for lower wages and will thus be favored in hiring.

We have problems enough with only 20 million niggers now living in America. Opening our borders to untold thousands of more non-Whites will only create more race trouble and an increase in unemployment of White people.

BITS of BIGOTRY

What burns a gallon of gasoline and goes nowhere? Answer: A Red Buddhist monk.

Overheard two Jews talking ... 1st Jew: "One of my department stores burned down and I collected $10,000 worth of insurance!" 2nd Jew: "Dats nothink! My department store was hit by a tornado and I collected $50,000!" 1st Jew: "How do you start a tornado?"

Some of the jokes circulating in Washington over Queer Jenkins: "Did you see the new sign on the White House lawn?" ... "No. What's it say?" ... "Trespassers will be violated!" Newest and quickest way to get to the White House is to join the YMCA and take a "fairy" across.

Some business establishments are refusing to accept "Federal Reserve Notes" that are fast replacing "Silver Certificates! Funny money or what?

DID YOU KNOW ...

The original name of Capitol Hill was Jenkins Hill. And it was on top of Jenkins hill that LBJ was sworn in!

Jews are using a new symbol on kosher products. Rapidly replacing the kosher symbols "K" and "Ⓤ" now

Ⓤ & K = *

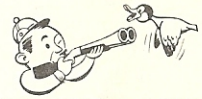
found on practically all consumer goods is a tiny six-pointed asterisk! Look for it next time you shop--and don't buy it!

Another up and coming new Jew kosher symbol to watch is the symbol of VAAD HARABONIM (see below). This new kosher Jew symbol is being used extensively in the New England states and is spreading to other states.

VAAD HARABONIM

Christian firms who want to get Jews to buy their products must pay a TAX TO THE JEWS for use of the kosher symbol... otherwise Jews don't buy the product.

What would happen if Christian-owned companies put a tiny cross on their products. ???



Did you hear this? ... President Johnson can't go hunting this season ... Oswald didn't return the rifle he borrowed from him!

HATE-TOONS

U.S.Nazi Confronts Martin Luther Coon

George Lincoln Rockwell (left), American Nazi party head, confronting the Martin Luther King in Selma, Ala. [AP Wirephoto]

When Martin Luther Coon (King) led a mob of 300 blacks on the courthouse in Selma, Alabama, he was stopped by Commander Rockwell of the American Nazi Party.

The Commander, standing in front of King and blocking his path, stated: "You are not here to register to vote. Negroes are NOT being denied the right to vote. You are here to agitate in behalf of the Communist conspiracy!

The Commander goaded King and dared him to debate. After a heated exchange of words, King invited the Commander to address his nigger rally. The Commander promised to give the Negroes the truth about Martin Luther Coon!

When Commander Rockwell showed up at the nigger rally, he and the two Stormtroopers accompanying him were immediately taken into custody by police when King and other nigger leaders changed their minds about letting the Commander speak! The charge : "Disorderly Conduct"!

Next day in court, the Commander, defending himself and his men, won the case. The City of Selma refused to prosecute (nolle prosse) when the Commander began taking steps to have Martin Luther Coon himself subpoenaed as a key witness.

The Commander personally investigated Negro charges of being denied the right to register to vote and discovered that not only are Negroes being permitted to register, but also that they are being given courteous and preferential treatment!!

The registrar at Selma can only handle about 30 people a day. When niggers descend on the registration office in an unruly mob numbering in the hundreds, police have no choice but to disband such an unlawful assembly.

The niggers know this!

The niggers know that their unlawful conduct will be met with force. But they rely on the controlled newspapers to make it look like they are the victims of "discrimination" and "police brutality" and that any attempt to stop their law-breaking is a denial of their "civil rights"!

Millions of Americans pick up their newspapers the next day and read that Negroes were arrested because they "tried" to register to vote!

U. S. Nazi Disrupts House

Robert Lloyd (arrow), who dashed onto House floor attired in black costume, blackened face and wearing a stovepipe hat. Lloyd, described as a member of the American Nazi Party, shouted, "I'ze the Mississippi delegation. I wants to be seated."

UPI telephoto

'I'se the Mississippi Delegation'

MOCKS NEGROES AT CAPITAL: Robert Lloyd, who said he was a follower of George Lincoln Rockwell, Nazi, being led away after bursting onto the floor of the House yesterday. "Ise de Mississippi delegation," he had cried.

The drama made international news! Next day, over ABC radio, Captain Lloyd gave a ten-minute interview in which he stated that the American Nazi Party has offered to help the Federal Government tighten up its security. If Captain Lloyd had been a Jew Communist or assassin, he could have wiped out the entire governing body of the United States with only a few hand grenades!

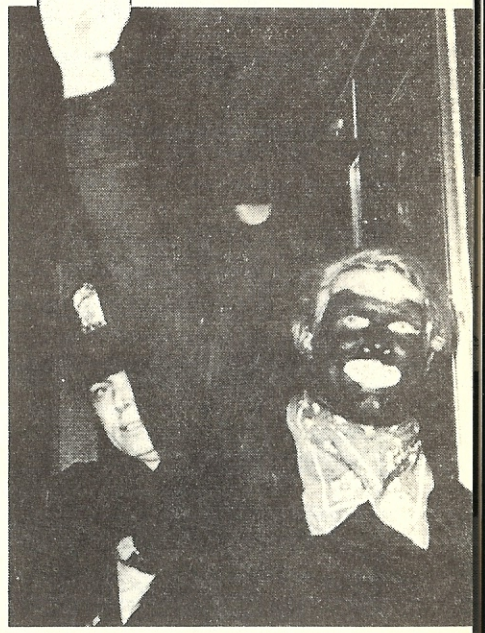
Nazi in Blackface Invades Congress

For the first time in the history of our nation, an outsider gained entrance to the floor of the U.S. Congress.

Dressed in black tights, white sneakers, stove-pipe hat and black-face, Captain Lloyd of the American Nazi Party slipped past double security guards and got right onto the floor of Congress.

The Congress was just beginning a roll call, and all the Congressmen were present. Suddenly, the Congressmen saw a black-faced man running wild on the floor yelling: "I'ze de Mississippi delegate! Ah demands mah seat! Ah is equal people!"

Congress was flabbergasted, to quote a national TV station! For three minutes, Captain Lloyd ran all over the floor before police could tackle him and place him under arrest.



Nazis Rock Security

The Party has refused to reveal to the news media how Captain Lloyd gained entrance onto the floor of Congress in his nigger costume despite all security measures. That information, Commander Rockwell has stated, will be revealed only to the Federal Government to help them tighten up their security.

Enraged that Captain Lloyd was fined a mere $20 for his performance, Jew Congressman are calling for a full investigation of the American Nazis.

One Jew Congressman has actually demanded that charges be brought against Lloyd for "imitating a Conressman"!!!

While Captain Lloyd was ridiculing the so-called "Mississippi" niggers who were seeking to oust the officially-elected White representatives of that state, 500 niggers were standing a "vigil" not more than fifteen yards from the front of the Capitol itself. Political demonstrations are forbidden on Capitol grounds! Yet, there they were, 500 strong!

Commander Rockwell and two of his Stormtroopers jumped out of their car and went over to get a look at the niggers. Police and reporters converged on the Commander as he strode back and forth in front of the coons remarking on TV: "These don't look like Mississippi niggers to me ... they look like Brooklyn niggers".

The same evening, Lyndon Baker Jenkins gave his State of the Union message and security measures were tripled.

HATE-ROD

Some guys can think of everything to do to their hot-rods. But Party Member Sammy Miles, of Livingston, Montana, proved to have more imagination than we've seen in a long time.

Sammy Miles painted his souped-up, 1935 Chevy hot-rod a bright Mustang red and attached two Nazi slogans to each side of his car ("Hitler was Right" and "The Big Lie is a Jewish Technique"). For a finishing touch, he placed Swastika hubcaps on each wheel!

Next, Sammy drove all over his home town passing out Party literature and, needless to say, his action produced more attention than a full military parade.

CALIFORNIA BATTLEFRONT

Associated Press Wirephoto

Ralph Forbes, self-styled western division commander of the American Nazi party, standing beside the fireplace in a house in Glendale, Calif., that the party has leased as its western headquarters. Above the crossed American flags is a picture of Hitler.

New Nazi HQ Opens In California!!

"A real miracle is happening out here" were the words of Lt. Robert Giles on a long distance call from California as he described the events surrounding the opening of the new American Nazi Headquarters in Glendale.

Under the command of Captain Ralph Forbes, the new headquarters, a one story frame house on busy East Colorado Boulevard, has become the center of American Nazi activity throughout Southern California.

Captain Forbes has been on the radio, on the television and in the newspapers practically every day since he and Commander Rockwell announced the opening of the headquarters during a press conference last month.

As usual, the "democracy loving" Jews went crazy with rage and are pressuring officials to close up the Nazis immediately! For years, the Jews and other subversive scum have been preaching that Americans must tolerate the rights of Communists, peace creeps, etc. --but, when the American Nazis, who seek to legally stop the Reds, practice their constitutional rights, the Jews are the very first to scream and demand that Nazis not be granted any rights!!! The Jews thus betray themselves and prove that all their talk about free speech, civil rights, etc., is false

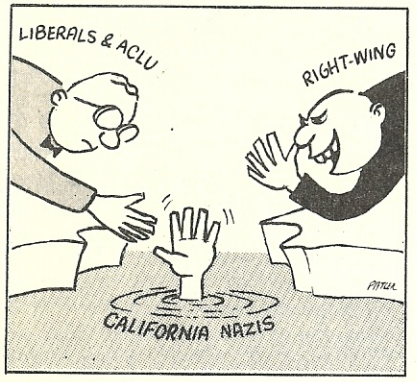
AREN FORBES & children. City refuses to turn on electricity

Because of Jew instigation, the city officials of Glendale are seeking "legal" means to close down Captain Forbes and the new Nazi HQ. At this moment, Capt. Forbes faces a court battle with the city for holding a "meeting" in the new headquarters. The city says it is "illegal" to hold an American Nazi meeting. The U.S. Constitution says all citizens have the right to peacefully assemble. The court battle will prove to be a long, hard battle, the same kind of battle Commander Rockwell fought when he first opened the National Headquarters of the American Nazi Party in Arlington, Virginia. Captain Forbes and his men face a penalty of six months in jail plus a $500 fine!

COURAGEOUS WIFE

Capt. Forbes' brave wife, Karen, has been interviewed by the press also. Her statements will go down in history. Nine months pregnant (at

A MATTER OF SURVIVAL

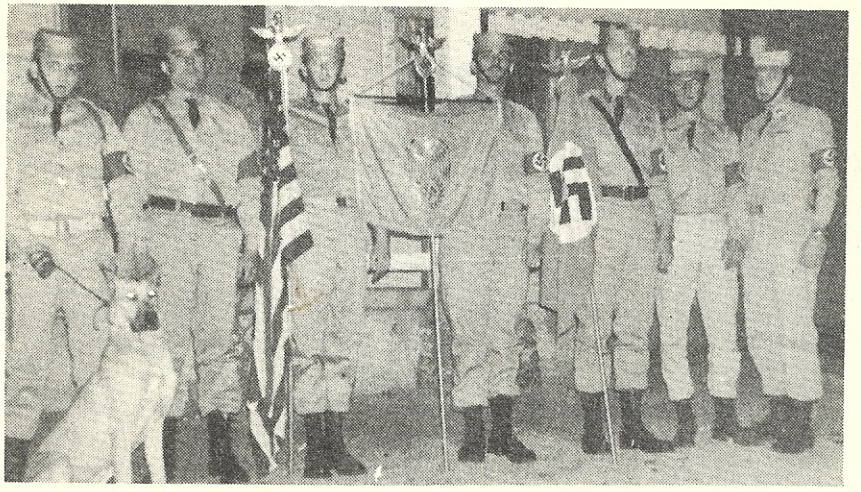


this writing) and already the mother of two beautiful children, she has stated that she admires her husband for his stand and wants to be with him through thick and thin. In spite of the city's refusal to turn on the electricity, Karen Forbes continues about her daily chores undaunted.

On one occasion, a rock was hurled through a window of the building. Capt. Forbes' one-year-old daughter, asleep in her crib, was showered with broken glass. The baby woke up screaming. Capt. Forbes has been threatened with physical beatings, eviction by the landlord, and violence by the Jew "war veterans".

Captain Forbes is in the middle of a furious battle, and at his side are some very real Party heroes. Lt. Robert Giles, Ken Taylor, Allen Vincent and Lt. Harry Blair, to name a few.

At first, huge hostile crowds gathered in front of the HQ. Captain Forbes and Lt. Giles confronted the crowds, made up mostly of teenagers, and spoke to them face-to-face. Thousands of pieces of literature were handed to the youngsters. After many nights of tireless talks and explanations of American Nazi doctrine, they won over practically all the kids in the area! Soon, the word spread and the papers reported that most Glendale youths were reacting favorably towards the American Nazis. The Jew "war veterans", led by a fat Jew named Bernie Weisman, then began to picket and demonstrate against Capt. Forbes with such slogans as "Save our kids!" The kids didn't care for the phony Jew pitch and they turned on the Jews and a few fist fights broke out. Police took away the kids but did nothing to stop the Jews who provoked the fights!



In front of HQ: Lt. Blair, S/L Giles, G/L Taylor, P/T Skelley, S/L Vincent, P/T Harry & Capt. Forbes

Nazis Expose Homos

In a bid to win acceptance and respectability, a gathering of perverts, queers and lesbians recently held a convention at the high-class Sheraton Park Hotel in our nation's capital.

Capt. Lloyd and box of "vaseline"

Under the innocent sounding name of "Hemophile Society"--the gang of impotent, sexless and degenerate freaks met with rabbis and pastors to plot a way to legalize homosexual "marriage" and other vile perversions!

The pack of perverts didn't reckon with the American Nazi Party. Just as the queer convention opened, Capt. Lloyd burst in on the lesbians and queers carrying a huge box wrapped in bright pink paper and labelled EMERGENCY SHIPMENT! Rush To Queer Convention 24 Qts. Vasoline!

In a loud voice, Capt. Lloyd demanded to know where Rabbi Littman could be found (Rabbi Littman was the featured speaker at the queer convention), so that the vaseline could be delivered to him!
Someone called the police who arrested Capt. Lloyd. Embarrassed hotel officials had a difficult time explaining to enraged guests why the queers were meeting in their hotel.

Jew Troublemaker

Bernie Weisman, alias Sam Reiter, the fat Jew coward who struck a Nazi from behind and started the boardwalk riot in Atlantic City last year has now popped up in Glendale. Bernie (hit 'em from behind) Weisman is organizing anti-Nazi activities against our California Hq.

JEW troublemakers picket California Nazi HQ. Molotov cocktails have been thrown

Chicago Nazi Leader

All members in Mid-Western states will shortly have an official American Nazi Party headquarters available.

The building, still undergoing construction in northside Chicago, will be officially opened to the public in the springtime.

The ANP's Chicago unit is under the dedicated leadership of Lt. Chris Vidnjevich.

Lt. Vidnjevich joined the Party three years ago, and has been continuously involved in all local Nazi activity.

Lt. Vidnjevich has some very personal reasons for taking part in the National Socialist struggle. In 1945 his father--who had been a high-ranking political officer in the armed forces of the independent, pro-Nazi state of Croatia (now part of Yugoslavia)--was hung in a public execution in Zegreb, by Communist Tito's butchers, like tens of thousands of other anti-Communist Croatians. Lt. Vidnjevich's father was also a member of the "Ustasha"--an organization of Croatian patriots which spread fear and terror among the Communists during World War II.

Big Mouth Kosher Conservative Won't Debate Commander

Quiet membership recruiting is progressing both rapidly and successfully in the Texas city of Dallas, where Kennedy was murdered by Lee Harvey Oswald, a confessed Communist. Commander Rockwell held a number of meetings to put an active Dallas Nazi unit into operation by the middle of the year.

Dr. Robert Morris, a kosher conservative columnist was challenged to a public debate by Commander Rockwell when Morris wrote an article of vicious, false charges against the American Nazi Party.

Lt. Chris Vidnjevich in Chicago HQ

Morris was put on the spot with the Nazi challenge and is looking for hole through which to escape the debate.

Jew Justice!

Ken Taylor, an American Nazi Stormtrooper who was assaulted in October by two Jews while he single-handedly picketed a race-mixing rally, is back in action, attached to the new California HQ of the American Nazi Party.

The two Jews who attacked Ken Taylor were arrested for burglary several days later! Again, their bail money was raised by other Jews.

In Los Angeles Court, the Medways (the Jew couple from England) were fined a mere $50 fine and placed on a year's probation!! If it had been a Nazi who had committed the assault the sentence would probably have been a year in jail--not probation!

The Jew couple failed to appear for burglary charges. It was later discovered that they had jumped bail and had fled the country!!

Nazi Attacks CORE Picket

Stormtrooper Michael Lutman was counter-picketing a CORE demonstration at the Trailways Bus Depot in Washington when he got tired of nigger demands that Whites be fired and replaced with Blacks. Lutman ran out of the American Nazi picketline and lunged at the biggest CORE nigger he could find. With a mighty charge, Lutman grabbed the nigger's picket sign and tore it up. Police jumped on Lutman, as he shouted "Down with CORE!" and placed him under arrest.

The night before, some unidentified individuals blasted the CORE pickets with a dozen first grade eggs (for second grade people). Police were unable to apprehend the egg throwers.

Is LBJ Queer ?

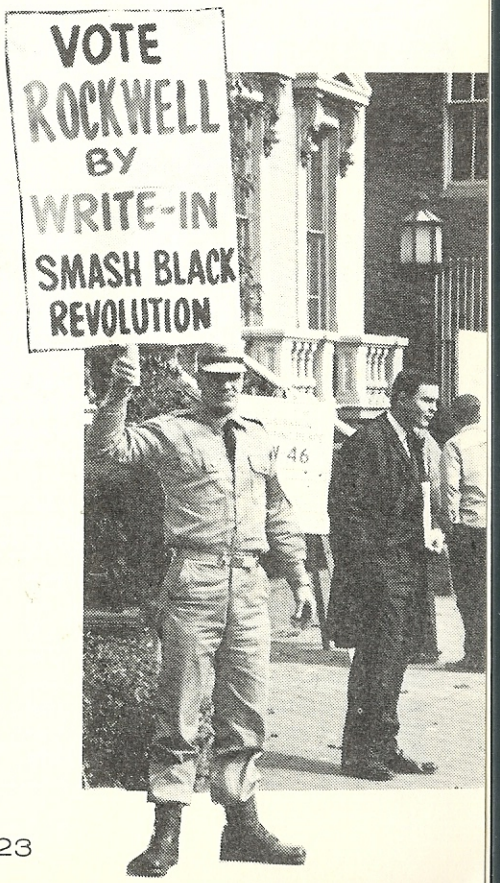
U.S. Nazi Stormtroopers demonstrated in front of the White House for a full week when President Johnson's top assistant, Walter Jenkins, was arrested as a homosexual.

Jenkins was very "close" to LBJ and both were "friends" for more than 20 years!

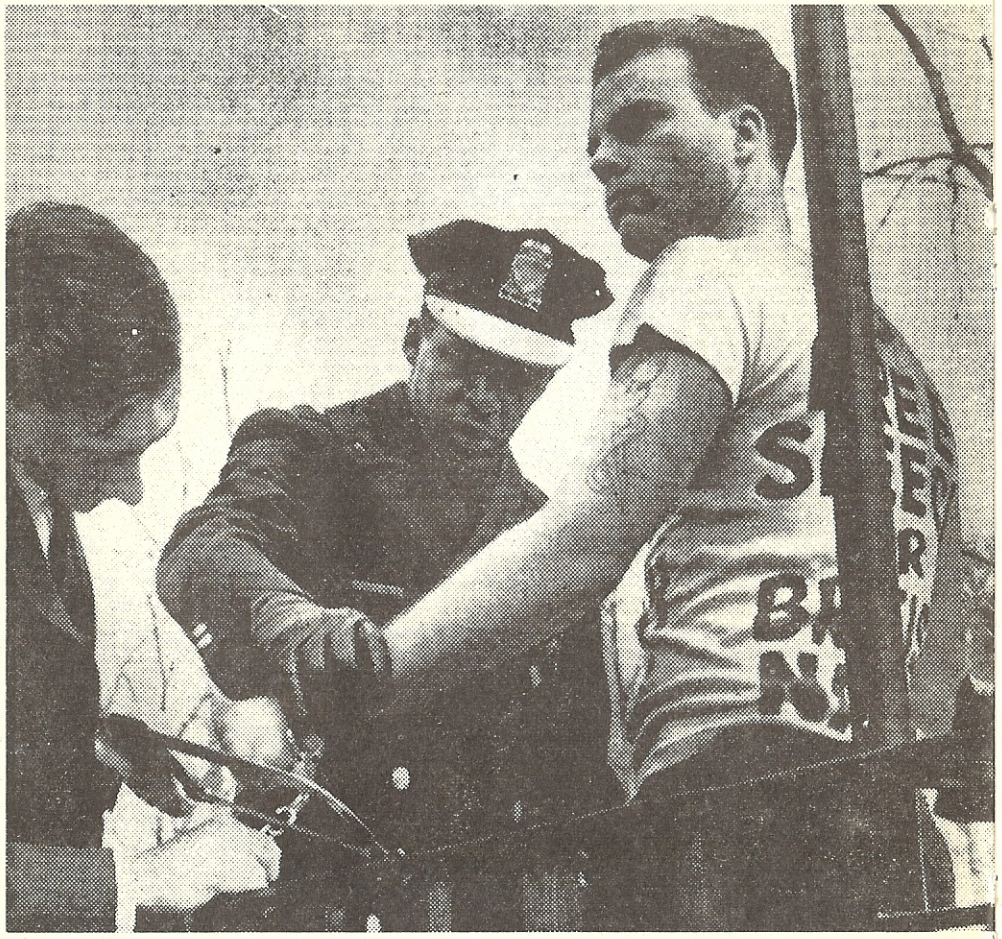
This "friendship" between LBJ and Jenkins with naked swimming sessions raises some very serious questions ... and U.S. Nazis were the only group to bring the question to public attention.

Nazis Urge Vote

Stormtrooper Charles Schofer stands a block away from the White House in front of Washington's busiest voting poll during the presidential election reminding voters to write-in the name of George Lincoln Rockwell. This demonstration was met with complimentary remarks from hundreds of passers-by who are sick and tired of black scum spreading terror on the streets of our nation's capital.



Free Speech for British Nazis!



(UPI Telefoto)

American Nazi Handcuffs Self To British Embassy As Wilson Speaks!

On the last day of British Prime Minister Wilson's visit to the U.S., a delegation of nine members of the American Nazi Party appeared at the British Embassy to demand an audience with the Prime Minister so that a letter of protest over lack of free speech for British Nazis could be delivered.

Col. Alan Welch, in full Stormtrooper uniform, led the delegation right into the lobby of the embassy. Twenty feet away, in a rotunda, Prime Mininter Wilson was beginning his farewell news conference.

Col. Welch was ordered to leave by several hysterical British Embassy officials. Col. Welch refused to budge until he was permitted to deliver a letter of protest to the Prime Minister from the World Union of National Socialists.The letter stated:

WUNS PETITION

A Petition To The Prime Minister Of Great Britain:

On behalf of the World Union of National Socialists, I hereby protest before Prime Minister Harold Wilson of Great Britain, the barbaric suppression of the free speech of British citizens who believe in National Socialism.

The Government of Great Britain has repeatedly refused to allow British members of the W. U. N. S. to speak publicly in Trafalgar Square in London, while at the same time granting that privilege to members of the Communist Party and to others who are inimical to the best interests of Great Britain and the White Race.

I therefore petition the Prime Minister to grant British National Socialists the freedom to speak in public, in Trafalgar Square, in accordance with centuries-old English Common Law, as well as with the laws of human decency and dignity honored by all civilized nations.

Heil Hitler! Lt/Col Alan J. Welch, Deputy Cmdr American Nazi Party

The presence of uniformed Nazi stormtroopers created quite an uproar. Newsmen began leaving the Prime Minister's news conference, rushing out to see the Nazis!

Hastily, a representative of the Prime Minister was introduced to Col. Welch and the letter of protest was accepted.

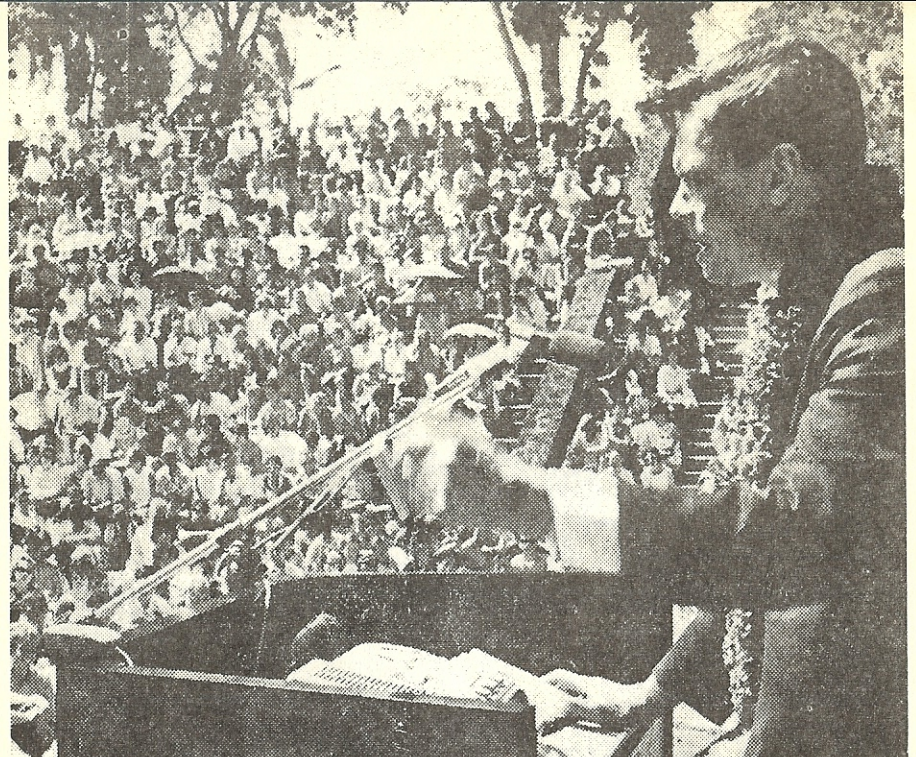
As Col. Welch and the delegation of American Nazis left the embassy--Stormtrooper Leslie Hudson rushed to the entrance and handcuffed himself to a railing! Hudson wore an undershirt with bright red and black lettering: "Free Speech for British Nazis". The temperature was a cold

23 degrees but, there he stood, in his undershirt, handcuffed to the embassy with a bright advertisement spread across his back and chest.

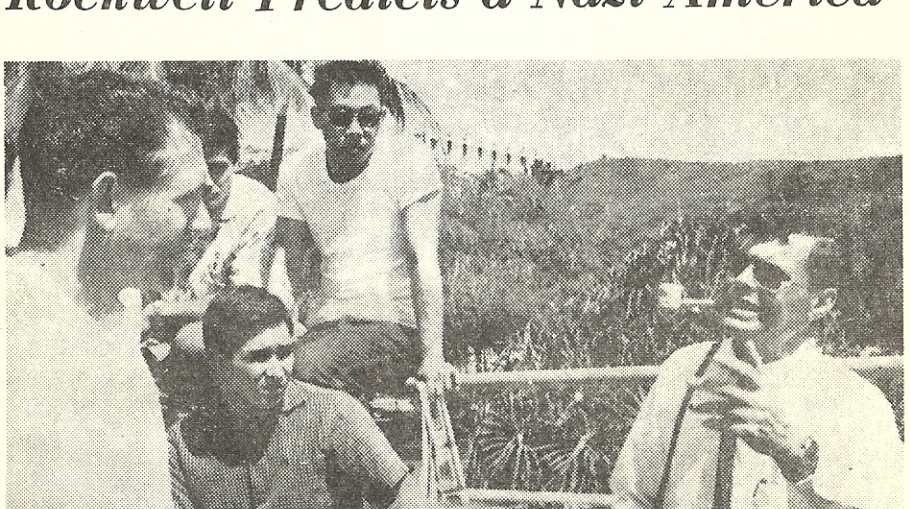
By this time, the embassy officials were in tears! They raced all around shouting and uttering unintelligent phrases. One very snobbish looking British embassy official "demanded" that Hudson "produce the key immediately". Hudson replied: "You produce the Prime Minister, and I will produce the key!" The embassy official shouted hysterically: "That is quite impossible!" ... and thereupon, in the presence of the frustrated embassy official and the police, Hudson promptly placed the key in his mouth and swallowed it!!

The incident began to attract a great deal of attention and was threatening to disrupt Prime Minister Wilson's entire press conference. Especially since Hudson refused to stop shouting: "I demand to see the Prime Minister! Free speech for British Nazis!"

Shortly, a hack saw was produced, much to the pleasure of the British embassy officials, and the handcuffs were sawed off. Stormtrooper Hudson was then placed under arrest



Rockwell Predicts a Nazi America



NAZI IN HAWAII

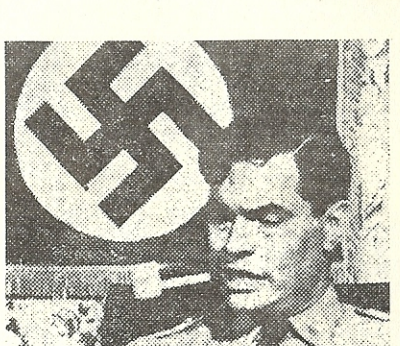
Commander Rockwell has become one of the most sought after speakers on American college campuses.

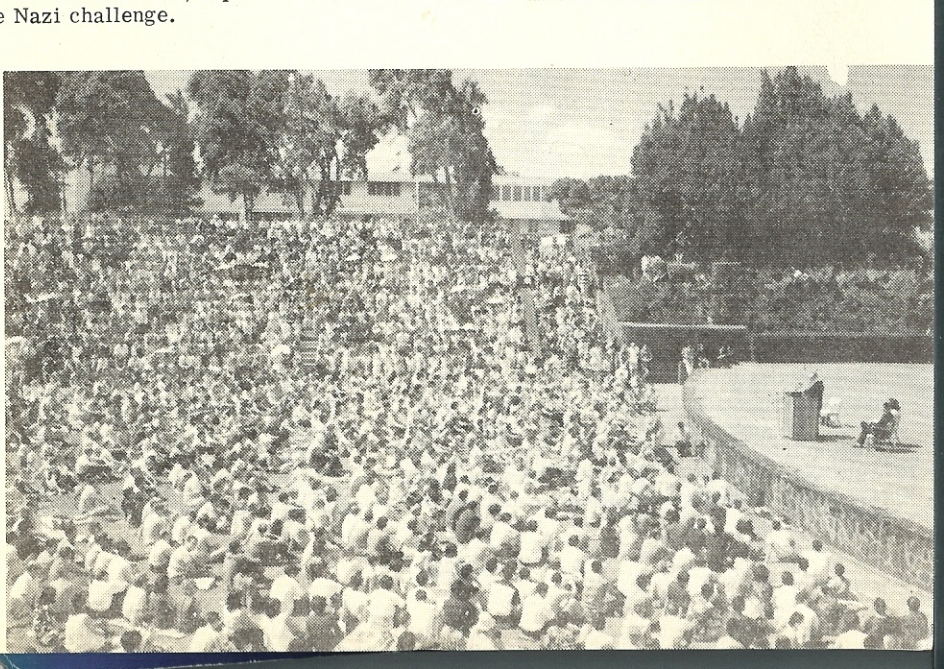
Recently, Commander Rockwell travelled more than 5,000 miles speaking at colleges and universities from Ohio to Hawaii!

At the University of Hawaii, Commander Rockwell spoke to record-breaking crowds.

Speaking simultaneously was Gus Hall of the Communist Party and Norman Thomas, notorious old-time Socialist. Birch Society leader, Robert Welch, chickened out of an invitation extended to him by students. Commander Rockwell was the only rightwinger to be heard in opposition to the Reds.

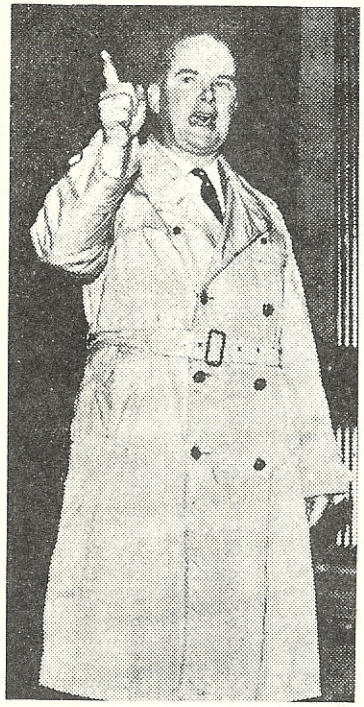
The Commander challenged Gus Hall to a debate right in the middle of Hall's speech to the students. Needless to say, Gus Hall, "Champion Defender" of Communism, squirmed out of the Nazi challenge.

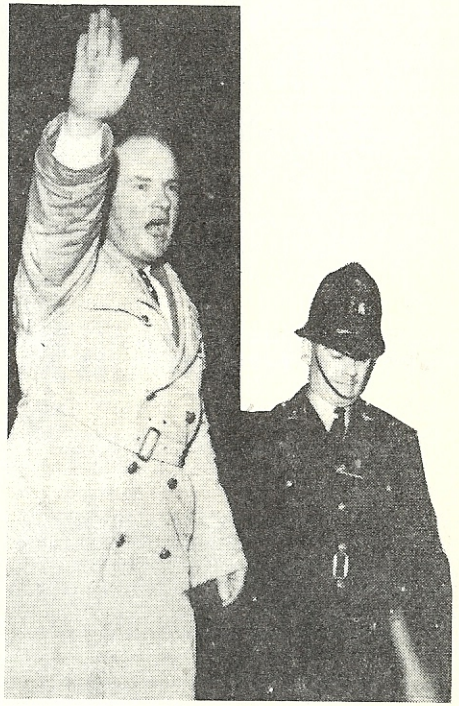




INTERNATIONAL NAZI PROGRESS

Jordan Declares War on Race-mixers!





ENGLAND: Colin Jordan, leader of the British National Socialist Movement, single-handedly broke up a race-mixing meeting in Warwick. The meeting hall, filled up with niggers and race-mixing liverals, was thrown into chaos as Jordan leaped onto the speaker's platform and seized control of the meeting!

Racial Comrade Jordan let the den of filthy traitors know what White people really think of them in no uncertain terms, shouting "Send the Blacks back!" Jordan spoke uninterrupted for ten minutes before police arrived!

Angry shouts from niggers in the audience were heard when Jordan

stated: "The time will come when the sponsors of this meeting will face trial in this country for their encouragement of this disgusting pollution (race-mixing)!" Police refused to arrest Colin Jordan.

ENGLAND: Colin Jordan was seen by millions of Americans over the nationwide Huntley-Brinkly TV news show when he broke up Foreign Secretary Gordan Walker's press conference.

Jordan and his men have been relentless in their war on all race-mixers. On this page we reproduce one of the many news stories that have appeared in the British papers of Nazi activity in Great Britain.

Jordan joins in poll fight

Yesterday's attack by Colin Jordan, leader of the National Socialist Movement, came at the opening Press conference of Mr. Gordon Walker's Leyton campaign.

Shout

Mr. Jordan had entered the small front room of a house in Grange Park-road, Leyton, being used as Labour committee rooms.

He shouted at Mr. Gordon Walker: "The National Socialist Movement denounces you and your party."

Mr. Jordan leaned across reporters and bellowed on: "Walker, you are a racial traitor. Why don't you go and live with the blacks?"

Mr. Jordan, still shouting, left the room followed by Mr. Gordon Walker and his wife.

The Foreign Minister returned and said: "I have never seen him before. I must say he is an unpleasant chap."

Outside, Mr. Jordan said: "We are not putting up a candidate, but we are campaigning against Gordon Walker specifically as we did in Smethwick."

Overnight, the front of the house where the Press conference was held had been daubed with swastikas.

Labour Party officials caught the daubers in the act and took the number of their car.

Leyton's coloured population is about 3,000. Racial relations are very good.

A West Indian told me: "There's no trouble in Leyton unless it is brought in from outside."

Leyton's former Labour M P, Mr. Reginald Sorenson, who has been made a peer, had a 7,926 majority

HANDS OFF SOUTH AFRICA!

WASH., D.C., USA: The American Nazi Party staged a WUNS demonstration last month in front of the White House demanding an end to hate against the people of South Africa.

Twenty niggers, representing several African "nations" picketed simultaneously demanding a boycott of South African products.

The WUNS picket line was led by Commander Rockwell.

BRAINWASH IN ITALY

ITALY: The Italian Ministry of Education, heavily dominated and influenced by Communists, has issued an order that the "Diary of Anne Frank" be required reading in all schools.

The "Diary of Anne Frank", like most "war crime" stories, is a Jewish fabrication. It is a clever book of lies written to appeal to the emotions.

Recent anti-Jewish incidents among young Italian school children motivated the "required reading" rule. Some kids in a school in Milan painted slogans on school walls denouncing "Anne Frank" as a "fraud".

ICELAND "GREETS" FIRST NIGGER

ICELAND: Icelandic Nazis reported that the first "monkey" (African "student") to arrive in Iceland found himself in the hospital at Reykjavik.

Johannes Manong, the first nigger to come to Iceland, a 100% White country, had the hell beaten out of him the very day he arrived from Communist Ghana.

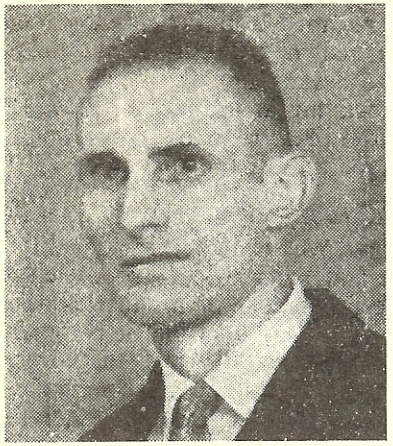
Although there are no niggers in Iceland, resentment against Blacks has been building up as a result of the Congo situation, where hundreds of White people have been fiendishly slaughtered by Black men.

YVES JEANNE FACES TRIAL

FRANCE: Awaiting trial for "plotting against the French state", Yves Jeanne, leader of the West-European Federation (French section of the World Union of National Socialists) is now preparing his legal fight for freedom against the DeGaulle dictatorship.

Yves Jeanne formed the Federation

shortly after he returned from Algeria where he and thousands of other Frenchmen settled and pioneered



Yves Jeanne

to build a future for their families until DeGaulle turned their homes and land over to Ben Bella.

HITLER IS BACK!

GERMANY: Here we go again. No matter what the Jews do, they just don't seem to be able to keep down Nazism. Seems a drawing of Hitler has now appeared on a German postage stamp (see clipping).

Concealed Hitler Head?

Every so often, there is a rumor that something or other is concealed in the design of a

postage stamp. Latest is that there is a Hitler head on a new German regular.

The stamp involved is the 50-pfennig denomination of the new "12 Centuries of German Architecture" regulars issued Dec. 15. The stamp, designed by Otto Rohse and engraved by Peter Nowraty, pictures the Castle Gate at Ellwanger. In the tree to the left of the tower, there is an arrangement of branches which seems to suggest the mustache and lock of hair down over the forehead which made Hitler such an easy target for caricature.

We don't know whether the "Hitler head" is there by accident or design. But it seems unlikely that the German government will leave it there very long in a stamp intended for indefinite regular use.

The artist and engraver will no doubt be brought to trial for "war crimes" or "contributing to the death" of a couple of million Jews!

If someone added up the number of Jews each "ex-Nazi" brought to trial is supposed to have killed, the number of "dead" Jews would total over six billion let alone a mere six million.

6 MILLION MINUS ONE

An incident involving Francoise Jordan, wife of BNSM leader Colin Jordan, and a Hebrew cab driver was reported in the N.Y. DAILY NEWS (circulation over 4 million).

Mrs. Jordan hailed a cab operated by a Jew in downtown London. The Jew recognized Francoise Jordan and shouted: "You stinking Nazi! I'm a Jew!" Mrs. Jordan replied: "If you are a Jew, what are you doing out of the ovens!"

With typical Jew bravery, the hebe pulled Mrs. Jordan's Swastika necklace from her throat and threw it down on the street.

In court, the Jew cabbie payed a small fine for his unmanly conduct.

CHILEAN NAZIS BATTLE JEWS!

CHILE: A member of Franz Pfeiffer's Chilean National Socialist Workers Party was offended when he discovered that a Jew shopkeeper in downtown Santiago had replaced the solitary star symbol of Chile with a Jew star-of-David. Young Heinrich Hosman, 18, reacted by painting a Swastika over the Jew star, which provoked the ire of the Jew owners of the shop.

A wild scuffle resulted and the police were called. Young Hosman was taken into custody shortly after Franz Pfeiffer and other members of the PNSO arrived on the scene to rally support for Hosman's action among the shopping crowd.

JEWS SUPPRESS FREE SPEECH

HOLLAND: Dutch police have arrested Paul van Tienan for selling copies of Hitler's "Kampf Gegen Dir Minusseele" in his book shop. The book defends Adolf Hitler's program and ideas.

Mr. van Tienan, a former Dutch officer of the Waffen S.S., stated he was mainly interested in countering the "falsification of history" about the German Nazi period.

Jew lovers of "free speech" demanded van Tienan's arrest and accused him of being the distributor of other Nazi literature that has recently flooded the country.

.....

SOUTH AFRICA: Jews are screaming in South Africa over the disclosure in an official publication of the most powerful church in that country of Jewish involvement in Communist and subversive movements which aim to overthrow the government.

The "Anticom", a publication issued by the Dutch Reform Church, accused the Jews of being behind world Communism and stated that the majority of people named as Communists and subversives by the government of South Africa are JEWS!

.....

Martin Bormann, Jr., son of Hitler's Chief Deputy, was among missionary hostages held captive by Congolese savages. Bormann, Jr., is in Congo to "relieve" his deep "guilt" feelings by helping to breed more black scum.

THE PROTOCOLS DEFENDED

TORONTO: Despite the lies of the Encyclopaedia Britannica about the Protocols of the Elders of Zion, the indications are that the book is the TRUTH, wrote the editor of an Ottawa newspaper, the "South End News".

The editor was replying to a letter of protest from a reader, taking him and the paper to task for publishing a full page of quotations from the Protocols.

The Protocols are now available, in English, from the American Nazi Party. See "Items For Sale" in this issue.

BRUNO LÜDTKE

SENDS A SPECIAL MESSAGE FROM WEST GERMANY

Photo: Bruno Ludtke, 1944, in NSDAP

In the devilish manner characteristic of their race, the Jews are hounding the whole world, and particularly its natural elite, the White Race, to destruction. Millions have already perished because of the Jewish Bolshevism and now the Jews have turned the colored hordes against the White Man everywhere, with terrible mass slaughters. Crazed with hate, the Jews try to annihilate all Nations which they expect might offer resistance. For this reason, the Jews first accomplished World War II to bring Christian Germany under their heel. They succeeded in massacring millions of the best blood on both sides. And after their bloody victory of 1945, there were--and still are--the devilish plans of the Jews Morganthau and Kaufmann for the eventual total extermination of the German people --plans which are only temporarily postponed, because THEY WANT TO APPLY THOSE DEVILISH PLANS TO ALL WHITE, CHRISTIAN PEOPLE.

But, as so often in history, just that insane and evil Jewish attack called forth the spiritual forces of the White Race in its hour of mortal danger. From the unknown millions of the White Race, Providence called forth the ONE MAN destined to save our race, and thus the whole of mankind from its terrible end.

In the U.S.A., the power center of World Jewry today, the only place of the world where the devilish conspirators CAN be beaten, has stood up Lincoln Rockwell, Commander of the great National Socialist World Movement, which in fact he has formed and given its viable organizational form in the WORLD UNION OF NATIONAL SOCIALISTS.

There, in the U.S.A., has risen Lincoln Rockwell, the legitimate successor to Adolf Hitler, his first truly great apostle, who now carries on the super-human work of Adolf Hitler and fights for the National Socialism and the White Race all over the planet.

In 1945, after I was mustered out of the German Army and the Hitler Jugend, it was an almost unbelievable miracle to me, as a German National Socialist, when I first learned of George Lincoln Rockwell. But I remembered how the appearance of Adolf Hitler, 40 years ago, also had been a true miracle for most Germans and that it is the will of Providence to give birth to the right men when, where and how they are needed.

There he stands like an ancient hero of Viking times, overtowering the most unbelievable troubles, fighting like a Norse berserker, and doing what almost all other men thought to be impossible.

Yes, impossible it is, namely for any less ingenious and courageous man, for that is also the way of Providence, that only ONE man, the greatest and strongest, shall lead--the COMMANDER!

I am grateful and proud to be a member of WUNS, to be one of HIS followers, even here in Germany under the heel of the Jew-controlled "democrats". For what greater honor can be reached by any man than to be the faithful follower of the greatest living man?

I was in prison here in Germany recently, for our National Socialist faith. When they tried to "break" me with threats and bribes, I proudly declared myself for the Commander, and told the representatives of the Jewish "democracy" that freedom for all the world, including my Germany, will come from America, where Lincoln Rockwell now leads the fight for the survival of the White Race!

They kept me in prison for more than four months and released me only temporarily. But what could that mean to me, since I knew that the Commander would turn into rungs toward victory all that persecution dealed out to us by these "lovers of liberty" and lovers of "free thoughts and speech"!

I am proud to have been in prison for him, and am ready to go again if I must!

Commander--you have flung the holy red-white-and-black Swastika banner into the sky in Virginia, U.S.A.!

Keep it flying there, Commander, defying all the frenzied typhoons of the Jewish-democratic hate and persecution! You are a God-given Leader of us all, German and Englishman, Frenchman and Spaniard, Dutchman and Italian, American and Hungarian, Swede and South African! You will accomplish the reunion of our GREAT WHITE RACE, Commander, all over this earth! Our Race, One Movement, One Banner and One Leader!

Heil Hitler!

EDITOR'S NOTE

Most Americans do not realize that there is no Free Speech in West Germany today. The following article could not be printed in Germany without the immediate imprisonment of its author.

The article was written by a man who today faces trial and imprisonment in West Germany because he is a National Socialist. Bruno LÜdtke, a former member of Adolf Hitler's National Socialist German Worker's Party, has already been fired from his job as a school teacher. He now works part-time as a translator hardly earning enough to support his wife and four beautiful children.

Over the past year, Bruno LÜdtke has been arrested and jailed many times for his political beliefs. His future is uncertain. He does not know when the state police will come again to take him away.

In spite of all the persecution this one man faces, Bruno LÜdtke sent this inspiring message to the Stormtrooper Magazine in hopes it would put courage and strength in our racial brothers and sisters in Germany who have almost given up hope, and to help Nazis and White men in other lands to realize that only a UNITED, NATIONAL SOCIALIST WORLD MOVEMENT can save the White people of the earth.

This article may yet cost Bruno LÜdtke another sentence in prison. He wrote it in spite of that probability.

MATT KOEHL

National Secretary of the American Nazi Party and a Major in the U.S. Stormtroopers

The post of National Secretary of the AMERICAN NAZI PARTY is held by Matt Koehl, a Major in the Stormtroop Section. Major Koehl is in charge of all general correspondence, non-financial records, and everything involving memberships.

Major Koehl was transferred to National Headquarters from Chicago in February 1963. Later the same year he was appointed to his present post. In the one-year period that he has been National Secretary, membership procedures have undergone complete reorganization, the mailing and membership lists have doubled, and many new efficiencies introduced.

Major Koehl was born in Milwaukee, Wisconsin on January 22, 1935, in the middle of the Roosevelt Depression, which saw family savings wiped out, and his father thrown out of work and into "relief" lines.

Major Koehl attended Milwaukee public schools. He continued his studies at the University of Wisconsin in Milwaukee, later taking evening courses at Marquette University, Northwestern University and the University of Chicago.

Major Koehl became a casualty correspondent with one of the largest insurance companies in the Midwest, as well as business correspondent for a well-known encyclopedia corporation.

Major Koehl also served seven years in the Marine Corps Reserve, part of the time on active duty at Parris Island (S.C.) and Camp Lejeune (N.C.).

Major Koehl's involvement in politics goes back to violent arguments he had in school at the age of 13, when he disrupted class by adamantly defending Adolf Hitler. At the same time he first became aware of the Jewish Question. Wanting to do something about the situation, he later joined various rightwing organizations--the National Renaissance Party, the United White Party, and the National States' Rights Party.

(continued on next page)

However, the political cowardice and lack of uncompromising commitment to National Socialist principles, which he found among these groups, left him dissatisfied.

In 1959 Commander Rockwell's newly-formed AMERICAN NAZI PARTY attracted Major Koehl's attention. When the Commander made his first organizational trip to the Midwest in the fall of 1960, Major Koehl was one of several persons who met with him. Shortly afterwards, Major Koehl joined the Party, and helped lay the groundwork for ANP operations in Chicago.

In the four years that Major Koehl has been with the Party he has taken part in over 100 public demonstrations, and has been arrested on a number of occasions. Before he was transferred to Arlington, he was in command of the Chicago Headquarters.

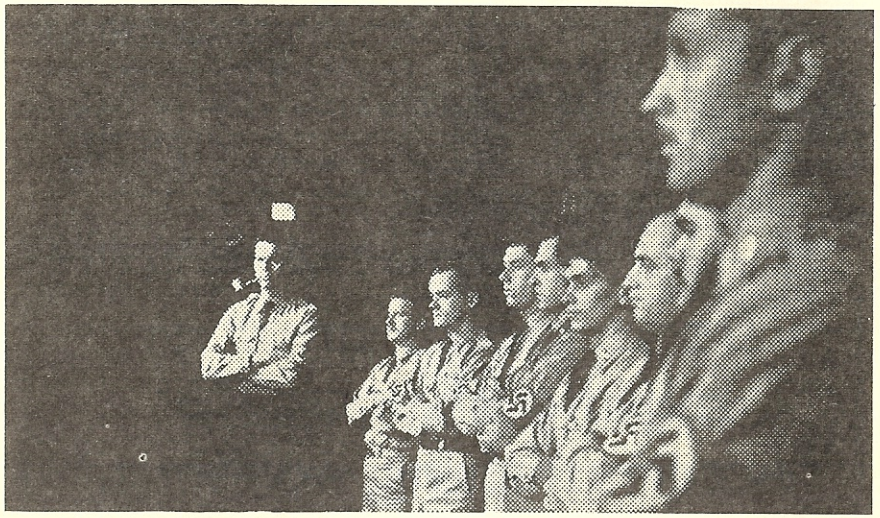
Nazi "Robin Hood"



Rockwell (left) and his storm troopers during his CBC interview

Millions and millions of White people, not only in America, but all over the earth, have come to look upon Commander Rockwell and his fighting Stormtroopers as a sort of 20th Century "Robin Hood" band!

Time and time again the American Nazis strike at the enemy, make fools of their leaders and break through their tightest security bringing hope and inspiration to all the millions oppressed by Jew tyranny and economic blackmail. And, time after time Commander Rockwell and his brave young men get away, completely demolishing the enemies' morale.

The most recent example of Commander Rockwell's "Robin Hood" tactics took place at the Canadian border. The Canadian government had banned Commander Rockwell from entering Canada to address students at the University of British Columbia. The ban came about as the result of enormous pressure brought by Jew "lovers of free speech" after the Commander appeared on a nationwide TV show over the CBC (Canadian Broadcasting Company) network.

It was a cold Sunday night when millions of Canadians tuned in their TV sets to watch a national television program "This Hour Has Seven Days". As Canadians sat back and relaxed, there appeared on the screen a tall, handsome, ex-U.S. Navy fighter pilot dressed in khaki uniform and a Swastika armband. In the background stood fifteen husky young men, also dressed in full uniform. A huge Swastika banner over their heads completed the scene.

Puffing on a corncob pipe, Commander Rockwell answered question after question hurled at him by two sharp interviewers. For twenty minutes, the battle went on, and at the end of the program it was apparent that Commander Rockwell was the victor. He had smashed his opponents to pieces!!

NAZI ON TV CAUSES UPROAR IN PARLIAMENT

The very next day, CBC was denounced and "roasted" in the Canadian Parliament for showing the 20-minute interview of Commander Rockwell. John Diefenbaker, former Prime Minister of Canada, led the uproar in Parliament against CBC and the TV broadcast of the Commander. All the leftwingers, Jews and other assorted scum, joined in to protest the accomplished fact. Commander Rockwell had left an impression on the masses that the Jews feared! In 20 minutes the Commander wiped away the lies of Jew propagandists and the controlled news media!

FALSE IMAGE BACKFIRES

The Jews continually portray an entirely false image of the Commander and present him as some sort of criminal or lunatic. But, when the Commander appeared on national TV, millions saw and heard for themselves that he was NOT a crazy man or a criminal, but in fact a rational, intelligent and very dynamic individual who made plenty of sense compared to the steady diet of Jew vomit people are now fed over their TVs.

With the Jews screaming for blood, the strictest security measures were taken to prevent the Commander from entering Canada for his speaking engagement with the students. In spite of this, Commander Rockwell got through ... not once, but TWICE! Police were bombarded with hundreds of calls reporting that Commander Rockwell had been sighted in different places. With the aid of students, this tactic kept the cops divided and busy running back and forth all over the place tracking down each report. The Commander led the government police and the border patrol on a merry chase all over the countryside. Police even set up road blocks and other such devices but, in spite of all they could do, the Commander slipped out of their grip and back across the border into the USA after a very successful meeting with college students. "Robin Hood" had struck and won again!!

On one occasion, the Commander, with the aid of a disguise kit, entered Canada disguised as a rabbi!

Working Man Writes

Dear Editor:
I want you to know that to me the Stormtrooper is the only publication in the whole rightwing that I have seen that is for the working man. You never use $10 words. You write in plain and clear language that the working people understand.

When I pick up Buckley's National Review, I feel like I'm reading a foreign language.
When I read Hargis' literature, I feel like I'm being prayed for and getting my pocket picked at the same time.

Most rightwing stuff is full of dull facts with no appeal and interest like the Stormtrooper magazine.

Your magazine has humor and punch, and in my estimation, it is the best publication in the entire rightwing.

Water In YOUR Gas Tank!

Dear Editor:

I have just finished reading for the third time the latest issue of The Stormtrooper, and as usual it is great.

I get a laugh every time I read the issue of the "Bigoted Barbers" and the treats for little niggers and other benefits. The one about the Supercoon lying in the alley with the wine bottle is great.

When you can really laugh at these "people" then you know the battle will be won one day.

I will never spend another dime on alcohol, cigarettes, movies or Jew-made goods if I can help it.

I can't understand how any White man wants to dope himself with the fumes of alcohol every chance they get.

What accomplishment can be gained by squatting in a cheap dimly-lit dive hour after hour guzzling beer and "having just a few"?

I feel that Commander Rockwell is 100% right when he tries to make the officers and stormtroopers take the drinking oath. Drinking, in my opinion, has absolutely no place in this organization because it will wreck this Party better and faster than the Jews can ever hope to do. And I don't care who disagrees with me--it is true.

Our Only Hope

Dear Commander Rockwell:

I believe that most good White people of our nation are sad and truly in desperate need of spirit.

It shall take someone like you and only you to help them recapture the spirit which at one time prevailed when our beloved Führer Adolf Hitler, the Great Leader, was with us and for us. Nazi In Canada!

Dear Sir:

Recently a T.V. interview with you by two Canadian newsmen was broadcast on a national network on Sunday night, October 25. You, Sir, conducted the interview magnificently and completely demolished the insolent barrage of sly questions fired at you by those Commie cowards who call themselves "newsmen".

You can imagine what stab in guts it was for the Jews here in Canada. Your dominating appearance before a Swastika banner, and flanked by your gallant stormtroopers was shocking to them, to such a great degree that the papers are still writing about it.

Actually, your interview was by some shear chance, broadcast on a Sunday night when most of these sterilized minded people are all watching T.V. It had a smashing effect.

EDITOR'S CORNER

CLEAR US, DON'T SMEAR US!

A very welcome report was received at the National Headquarters of the American Nazi Party this month. The House Committee on Un-American Activities is seriously considering an investigation into our activities.

If HCUA does follow through on the investigation, it will mean that we American Nazis will have the opportunity to testify, under oath, that we are not Communists, subversives or un-American. We will finally be able to clear ourselves of all these false and absurd charges.

We welcome the investigation, if it ever comes. The Committee will find us most cooperative. We will not evade questions, nor will we plead the Fifth as the Communists always do. We have nothing to hide. We are proud of our work. What we seek is clearance ... and that is EXACTLY what we will get.

Basically, in order to "qualify" as subversive, an organization must advocate the violent overthrow of the U. S. Government, and be under the domination of a foreign power. The American Nazi Party does not advocate the violent overthrow of our government ... we advocate its protection. We are not under the domination of any foreign power; we are all American citizens; most of us are veterans and the Commander himself was a Naval officer and fighter pilot for nearly twenty years and a veteran of World War II and the Korean War.

The American Nazi Party will gain from the investigation complete vindication of all the ridiculous and unsubstantiated charges against us. We will emerge with a clean bill of health.

Our government will also benefit very much by the investigation. The advantage to the government and our nation will be the information and assistance we will render to help tighten up the unbelievable laxity in security of our highest offices and cherished institutions.

What brought on the demand for an investigation was the ability of one of our members to gain entrance onto the floor of Congress in spite of intense security measures.

Congress was "flabbergasted", to quote a news report. The lack of real security in the House is nothing, compared to the lack of security we have discovered in other important government institutions.

several days after Captain Robert Lloyd got onto the floor of the House, I discovered TWO incredible loopholes in the security of the U. S. Congress! These loopholes were UNGUARDED, and the ease by which entrance to the House floor could be gained would have made it possible for a small army to get through! The ease by which security can be broken and the ease by which it could be circumvented has been repeatedly demonstrated by the American Nazi Party.

Just how dangerous to our nation are these deficiencies in the present security system?

If the American Nazis were Communist assassins or anarchists, we could bring the active government to its knees in a few hours. A handful of us could cripple the national government overnight IF we were a violent or subversive organization. If Captain Lloyd were a Communist traitor (instead of a patriotic American Nazi), armed with just a few hand-grenades, he could have wiped out the entire governing body of the United States! To understand just how deadly serious and dangerous these security gaps could be, imagine what would happen if instead of Captain Lloyd, it had been another Lee Harvey Oswald who had gained entrance to the floor of Congress!

Commander Rockwell, not idly boasting when he wrote the Evening Star newspaper, stated that governmental security was so lax and inefficient that he could, if he wanted to, sleep in the White House ... tonight! Believe me, he could.

NEW PARTY PRESS

Beginning this year, the Stormtrooper magazine will be published quarterly (every three months). Subscription prices will remain the same. The reason for the change is to permit more printing time for the Commander's up-and-coming campaign for the Governorship of Virginia. Let us know how you like this issue.

A brand new printing press is due for delivery to National Headquarters in March. The huge new press will be capable of printing a full newspaper. It is one of the most modern presses in the printing industry, incorporating many new features and concepts.

SMALL-TIME COPY-CATS

Four years ago, I originated the idea of substituting a Communist hammer and sickle for the "C" in the initials NAACP. Since then, everyone in the rightwing has copied it, without ever giving credit to the American Nazi Party which first carried the new idea on picket lines. Thieving will never end. Our side abounds with small-time thieves. These people who steal from others are totally incapable of any creative effort. They sit around on the side lines while another man breaks his back, sweating and working to find a treasure. When finally reaches the treasure, the character on the side line suddenly jumps in, steals the treasure, shouting it was he who discovered it all along!

A recent example of thievery was demonstrated by the National States Rights Party which copied and printed the middle page cartoon appearing in the Sept-Oct. 1964 issue of the Stormtrooper magazine: "Barbers! Don't be a Bigot!" The NSRP put its own name and address on the cartoon!

Some individuals are now even using our Swastika on their juvenile publications, after we have fought so hard all these years to make the Swastika safe.

Always after the battle, when there is no more danger, out come the creeps and cowards!

AMERICAN NAZI SPEAKER'S BUREAU! If you need a speaker to represent American Nazism, write for details today! We have many Party officers who are available for speaking engagements who will appear in conservative dress (no uniforms) before your group. An American Nazi will address any group, even liberal groups, within a 20-mile radius of any official American Nazi Party headquarters. (Groups outside a 20-mile radius must provide expenses for trip.)

Gordon Walker Resigns— In Major Labor Setback

LONDON — British Foreign Secretary Patrick Gordon Walker resigned today in the wake of his totally unexpected 205-vote defeat yesterday in a by-election at Leyton, a lower middle class suburb of London.

Leyton was supposed to be a "safe" seat for the Labor party. In the general election last Oct. 15, Labor had a 7,900 vote majority.

The winning Laborite, R. W. Sorensen, accepted appointment to the House of Lords in order to make way for Gordon Walker, who lost his seat in Commons in a bitterly racist contest at Smethwick.

to register at the town hall shouting, "Ah's de noo candidate, Walker Gordon". This blackface technique, we have found, drives home the RACE issue in such a way that the enemy can't even reply. The humor disarms the public and even the niggers, leaving only the humorless Jews scowling and spitting like rattlesnakes. Whenever we have applied the blackface technique, it has been uniformly successful! (See clipping from "Time".)

And the Nazis succeeded gloriously! The decent White Christian people forgot about "liberal" and "conservative" and concerned themselves with the problem of our time, RACE!--and voted race! Gordon's cowardly conservative opponent didn't actually "win", although he has the seat in Parliament. Colin Jordan and the Nazis won, by beating the daylights out of race-mixing Pinko Gordon Walker, with all his Jew backing!

The reason Jordan won in England is basically the same reason George Wallace amazed the world in Wisconsin (although Wallace denied he was a racist and didn't actually WIN).

That reason is that people are FED UP WITH NIGGERS. They want leadership to get rid of the terrifying "BLACK PLAGUE"--and there is no such leadership. Whenever a responsible, statesmanlike effort is made to supply that White leadership, it will win out over anything else in the field. Wallace proved it in Wisconsin. Jordan proved it even more powerfully in London. Neither of them were able to come home with the "bacon" of political power, however.

I believe we are now in a position to do that in Virginia!

WHITE LEADERSHIP

For two years, we have been minutely studying the election statistics in this state of Virginia. They show that ever since the great Senator Byrd installed Lindsey Almond as Governor, and Almond gave in to the Jews, integrationists and niggers (getting a Federal judgeship for his "defeat"), Virginia has been desperate for White leadership. While we have some excellent Virginians in Congress, there is no real White leadership in the statehouse in Richmond! Harrison, the present Governor, came out for ol' "Rastus" Johnson himself. His Lt. Governor, Godwin, the present leading contender, creeps ever closer to the integration swamp, as niggers continue to register here in droves.

VIRGINIA CAMPAIGN

Our studies show that if I run as an independent, as a WHITE man, the hard-core Republicans and Democrats will cancel each other out (with the help of the niggers) and leave the field to US!

As I learned speaking all over Virginia two summers ago, Southside Virginia is already OURS in a large measure. And this in spite of the outrageous lies in the press, and the

AT BRITISH RALLY—Self-styled leader of the British Nazi Party, Colin Jordan, throws his arms up as he is seized by an unidentified man at the election eve rally for the Labor Party's foreign secretary, Patrick Gordon Walker, in Leyton. Walker had just begun to speak when Jordan jumped onto a chair and refused to leave. He then gave a Nazi salute and several youths threw smoke bombs at the platform.

ELECTION RALLY TURNS INTO RIOT

British Nazi Leader Gets Bloody Nose

LONDON (AP) — Colin Jordan, the British Nazi leader, was carried struggling from the hall with a bloody nose and cut forehead Wednesday night after an election rally for Foreign Secretary Patrick Gordon Walker turned into a riot.

It was the second outburst of violence in a week during Gordon Walker's campaign for election Thursday to the House of Commons in the East London district of Leyton.

Jordan smuggled himself past the ushers before the meeting started. The hall was lined with husky Labor party supporters of the foreign secretary. Boos and cheers began as soon as Gordon Walker took the rostrum.

Then someone shouted, "Back to Smethwick."

Smethwick is the Birmingham district where Gordon Walker was defeated in the October general election — hence the special polling to get him back into the House of Commons.

The name of the district has become an acid-tinged rallying cry for extremists of the right because of the Smethwick campaign's heavy racial overtones. Jordan's National Socialist Movement has been repeating the Smethwick slogan that contributed to Gordon Walker's defeat: "If you want a nigger neighbor, vote Labor."

After the cheers and boos for Gordon Walker, the hall was filled with shouts. The ushers jumped in, and there was a pile-up of men in the middle of the hall.

Then someone threw a firecracker onto the stage. It went off in front of Lady Sorenson, wife of the former Leyton member of Parliament.

Peace was restored only after Jordan was hustled out.

brutal blackout of the supposedly rightwing Richmond papers (now dominated by Jew money).

What Wallace showed in Wisconsin, what Jordan actually WON in London--we can now COMPLETE in Virginia. As a White candidate, I can win the loyalty of a sovereign STATE! And I am not afraid to admit that once we have proved our worth and honesty to the people of Virginia, we will launch such a state-backed campaign against Communism and race-mixing from Richmond that Jew-communist and nigger agitators will crawl a thousand miles to go around Virginia.

We shall pass hard-boiled, strictly enforced laws which will make Virginia a hell-on-earth for nigger, Jew and beatnik racial agitators. I am well aware that the Supreme Court will probably throw out every good law we pass, regardless of Constitutional merit. But two can play at that game. We can pass new ones as fast as the Supreme Court throws them out. And it takes a long, long time to get cases through the Supreme Court. Meanwhile the Communist agents and agitators will be locked up! We will not violate the law, but sassy niggers who throw gum wrappers on the street or jaywalk will get everything legal, short of the chair, we can manage (just as they already do to us in New York, for instance).

We shall arm and train every responsible White Man into a state militia which cannot be "nationalized" by Federal tyrants.

Jew-Communist and nigger agitators will dream of Mississippi as a regular nigger's heaven!

We shall make every single last street in Virginia SAFE FOR WHITE WOMEN, ALL THE TIME. All we need are "decoys", on a massive scale. Our "deputy sheriffs" will know how to deal with nigger rapists and muggers who try jumping our "ladies" on dark streets.

The State of Virginia will publish the facts about Jew-Communism, Zionism and race-mixing--with the documents to back them up! And we will have the funds and the means to get those facts all over the rest of the country. No amount of Jew "smear" or sweet-talk will save them when the American people KNOW what the Jews are up to.

Good White, Christian folks who are persecuted in other states, as our kind of people always are in New York and Miami, for instance, can come to Virginia, and we will not permit extradition without proof of actual crime.

In short, Virginia will be the center and jumping-off point for final, total VICTORY in the whole United States against the Jew-Communist-Zionist agitators and their vile "revolution". Virginia will be, for the White Christians, what New York City is to Jews and niggers. When we prove, by DEEDS, not words, that we know how to whip the daylights out of the enemy, every state in the Union will want a fighting White Man's Government!

Finally, the Jew (and kosher conservative) whistling-in-the-dark that we are "just a tiny bunch of 'kooks' not worth noticing" will have to stop as soon as our campaign in Virginia gets going. They CAN'T simply sit still and let us win. And to fight us, they will have to BLAST!

Let the battle begin!

After six bitter, grinding, miserable years of struggle just to survive, we are now ready to strike our first blow toward legal, elective power--toward victory!

They laughed when we "sat down" in Arlington six years ago and announced our goals in Virginia and the White House.

I doubt there will be any smiles on Jew-communist faces, or the faces of such scum as Martin Luther Coon, as we "beat their heads in" in the Virginia campaign!

There will be the usual croaking by the kosher conservatives that "it can't be done".

Well Colin Jordan just DID it!

Now it's my turn! □□
